Dear Chia-Hung Wan,

Regarding presentation of the following accepted papers:

• TOWARDS AUDIO TO SCENE IMAGE SYNTHESIS USING GENERATIVE ADVERSARIAL NETWORK

The 2019 IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP 2019) continues to be a premier conference. The Technical Program Committee worked very hard to compile a technical program consisting of outstanding papers.

Because you have registered and paid all fees necessary, we invite you to join us at the 2019 IEEE International Conference on Acoustics, Speech, and Signal Processing, May 12-17, 2019 in Brighton, UK. You may obtain more information from the web at <https://2019.ieeeicassp.org/> or please feel free to contact us.

This letter of invitation is not an offer to contribute to the financial costs of registration, travel to and from the conference, or subsistence while in the UK. Delegates and authors are responsible for the entire travel costs, to and from their home countries, including hotel expenses during the conference period.

Again, congratulations! We look forward to welcoming you to Brighton.

Sincerely,

Saeid Sanei, BSc, MSc, PhD, DIC, SrMIEEE
